

Gliwice, 05.05.2021

Dear Sir or Madame,

Please be informed that as of **30 April 2021**, the name of the company Energotest sp. z o.o. has changed into **SPIE Energotest sp. z o.o.** The above date is also the date of publication of the subject change of the company name in the Register of Entrepreneurs of the National Court Register. Other company registration data, such as KRS, NIP, and REGON numbers, remain unchanged.

From **April 30, 2021** all documents prepared for **SPIE Energotest sp. z o.o.**, including invoices, should include a new name: **SPIE Energotest sp. z o. o.**, with its registered office at **ul. Chorzowska 44b, 44-100 Gliwice.**

The change is the next stage of the SPIE group dynamic development on the Polish market, which is the effect of both: organic development, as well as acquisition and integration with new enterprises. This decision is based on many years of experience of the SPIE concern in the area of purchases of new enterprises. Thanks to more than a hundred companies integrated worldwide, the SPIE group can offer wide range of modern services and expertise of various specialists.

We assure you that changing the company name does not affect its offer, financial stability and availability for business partners. We hope that our cooperation will be continued, giving satisfaction for both parties.

With regards,
